I. Using the <i>Pre-Referral Intervention Manual</i>	8
II. Interventions	9
A. Memory, Abstractions, Generalizations, and Organization	
Behavior	
Number	
1. Is disorganized	9
2. Has limited memory skills	13
3. Has difficulty understanding abstract concepts	16
4. Fails to find locations in the building	18
5. Does not respond appropriately to environmental cues	20
6. Does not stay in assigned areas for specified time	22
7. Needs verbal questions and directions frequently repeated	24
8. Demonstrates difficulty with visual memory	29
9. Demonstrates difficulty with auditory memory	31
10. Does not demonstrate an understanding of directionality	33
11. Has difficulty concentrating	34
12. Perseverates - does the same thing over and over	39
13. Fails to demonstrate logical thinking	41
14. Has difficulty retrieving, recalling, or naming objects, persons, places, etc.	43
15. Demonstrates visual perception problems	46
16. Has difficulty classifying	48
17. Fails to generalize knowledge from one situation to another	49
18. Demonstrates confusion	51
19. Remembers information one time but not the next	53
20. Requires slow, sequential, substantially broken-down presentation of concepts	55
21. Fails to remember sequences	57
B. Listening	
Behavior	
Number	
22. Does not listen to or follow verbal directions	60
23. Does not hear word endings, does not hear key words such as "do not," etc.	65
24. Does not direct attention or fails to maintain attention to important sounds in the immediate environment	69
25. Has difficulty differentiating speech sounds heard	72
26. Is unsuccessful in activities requiring listening	73
27. Attends more successfully when close to the source of sound	77
28. Requires eye contact in order to listen successfully	81
29. Does not listen to what other students are saying	84
C. Speaking	
Behavior	
Number	
30. Has difficulty imitating speech sounds	87
31. Omits, adds, substitutes, or rearranges sounds or words when speaking	89
32. Distorts or mispronounces words or sounds when speaking (not attributed to dialect or accent)	91
33. Does not use appropriate subject-verb agreement when speaking	93

34. Has a limited speaking vocabulary	95
35. Uses inappropriate verb tenses when speaking	99
36. Speaks dysfluently	101
37. Does not complete statements or express complete thoughts when speaking	104

D. Reading

Behavior

Number

38. Does not comprehend what he/she reads	108
39. Fails to finish assignments because of reading difficulties	112
40. Fails to demonstrate word attack skills	115
41. Fails to recognize words on grade level	117
42. Loses place when reading	119
43. Has difficulty with sound-symbol relationships	121
44. Has difficulty with phonics skills when reading	122
45. Omits, adds, substitutes, or reverses letters, words, or sounds when reading	124
46. Fails to demonstrate word comprehension	126
47. Reads words correctly in one context but not in another	129
48. Does not read independently	130
49. Does not discriminate between similar letters and words	132
50. Does not know all the letters of the alphabet	133
51. Understands what is read to him/her but not what he/she reads silently	134
52. Has difficulty recalling the sequence of events in stories read	136
53. Does not demonstrate an understanding of alphabetical order	138
54. Has difficulty identifying the topic sentence and main idea when reading	139
55. Does not demonstrate an understanding of contractions and compound words	141
56. Fails to demonstrate glossary and dictionary skills	142
57. Has difficulty finding supporting details when reading	144

E. Writing

Behavior

Number

58. Performs assignments so carelessly as to be illegible	146
59. Fails to copy letters, words, sentences, and numbers from a model at a close proximity	148
60. Fails to copy letters, words, sentences, and numbers from a model at a distance	151
61. Fails to use capitalization correctly when writing	153
62. Uses inappropriate spacing between words or sentences when writing	155
63. Reverses letters and numbers when writing	156
64. Fails to write within a given space	158
65. Fails to punctuate correctly when writing	160
66. Does not use appropriate subject-verb agreement when writing	162
67. Does not compose complete sentences or express complete thoughts when writing	164
68. Fails to correctly organize writing activities	168
69. Omits, adds, or substitutes words when writing	170
70. Fails to form letters correctly when printing or writing	172
71. Fails to use verb tenses correctly when writing	174
72. Uses inappropriate letter size when writing	176

F. Spelling

Behavior

Number

73. Fails to use spelling rules	178
74. Has difficulty with phonetic approaches to spelling	180
75. Omits, substitutes, adds, or rearranges letters or sound units when spelling words	182
76. Has difficulty spelling words that do not follow the spelling rules	184
77. Does not use word endings correctly when spelling or omits them	186
78. Spells words correctly in one context but not in another	187
79. Requires continued drill and practice to learn spelling words	189

G. Mathematical Calculations

Behavior

Number

80. Has difficulty solving math word problems	191
81. Fails to change from one math operation to another	194
82. Does not understand abstract math concepts without concrete examples	196
83. Fails to correctly solve math problems requiring regrouping	198
84. Works math problems from left to right instead of right to left	200
85. Fails to follow necessary steps in math problems	202
86. Fails to correctly solve math problems involving fractions or decimals	205
87. Fails to demonstrate knowledge of place value	207
88. Confuses operational signs when working math problems	208
89. Fails to correctly solve problems involving money	209
90. Fails to correctly solve problems using measurement	211
91. Does not understand the concept of skip counting	213
92. Cannot tell time	214
93. Fails to correctly solve math problems requiring addition	215
94. Fails to correctly solve math problems requiring subtraction	217
95. Fails to correctly solve math problems requiring multiplication	219
96. Fails to correctly solve math problems requiring division	221
97. Does not remember math facts	223
98. Does not make use of columns when working math problems	225

H. Academic Performance

Behavior

Number

99. Does not perform or complete classroom assignments during class time	227
100. Fails to complete homework assignments and return them to school	233
101. Fails to perform tasks or assignments independently	238
102. Performs classroom tests, quizzes, or tasks at a failing level	241
103. Does not prepare for assigned activities or daily routines	243
104. Does not remain on-task for the required length of time	248
105. Does not perform academically at his/her ability level	253
106. Does not read or follow written directions	258
107. Is reluctant to attempt new assignments or tasks	261
108. Requires repeated drill and practice to learn what other students master easily	264

109.	Does not function appropriately in the presence of verbal and physical stimuli in the classroom	266
110.	Rushes through activities or assignments with little or no regard to accuracy, quality, or neatness	268
111.	Fails to make appropriate use of study time	273
112.	Begins an assignment or activity before receiving or reading complete directions or instructions or fails to follow directions or instructions	278
113.	Changes from one activity to another without finishing the first, without putting things away, before it is time to move on, etc.	283
114.	Does not begin assignments after receiving directions, instructions, etc.	286
115.	Does not complete assignments after receiving directions, instructions, etc.	289

I. Interpersonal Relationships

Behavior

Number

116.	Makes inappropriate comments or unnecessary noises in the classroom	291
117.	Fights with other students	295
118.	Becomes physically aggressive with teachers	298
119.	Makes unnecessary physical contact with others	301
120.	Makes inappropriate comments to teachers	303
121.	Responds inappropriately to praise or recognition from other students or teachers	306
122.	Is easily angered, annoyed, or upset	308
123.	Agitates and provokes peers to a level of verbal or physical assault	314
124.	Has little or no interaction with teachers	316
125.	Has little or no interaction with peers	319
126.	Makes inappropriate comments to other students	322
127.	Responds inappropriately to typical physical exchanges with peers	325
128.	Does not respond appropriately to friendly teasing	327
129.	Is not accepted by other students	329
130.	Bothers others who are trying to work, listen, etc.	332
131.	Responds inappropriately to others' attempts to be friendly, complimentary, sympathetic, etc.	336
132.	Refuses to share possessions or materials	338
133.	Does not allow others to take their turn or participate in activities or games, etc.	341
134.	Does not demonstrate the ability to resolve conflict situations	343
135.	Does not make appropriate use of free time	345
136.	Fails to work appropriately with peers in a tutoring situation	347
137.	"Gets back" at others when he/she feels that someone has wronged him/her	349
138.	Writes and passes notes	352
139.	Tattles	353
140.	Grabs things away from others	355
141.	Interrupts the teacher or other students	357

J. Depression/Motivation

Behavior

Number

142.	Has unexcused absences	360
143.	Has unexcused tardiness	362
144.	Blames other persons or materials to avoid taking responsibility for his/her mistakes or failures	364

145.	Does not participate or demonstrate an interest in classroom activities or special events that are interesting to other students	366
146.	Blames self for situations beyond his/her control	369
147.	Expresses concerns or worries about school, home, or personal situations through words or pictures	370
148.	Is not motivated by rewards	372
